PRNTR 1-on-1 Mentorship Agreement

Between: PRNTR.AI ("PRNTR", "we") **And:** {{Student full name}} ("you"), email {{Student email}} **Date:** {{Date}}

Please read this before you pay. It is short on purpose. If anything here is different from what was said on our call, tell us before you sign.

1. What you are buying

The PRNTR 1-on-1 Mentorship: **90 days** starting on the date of your first payment. It includes:

1. A 1-on-1 video call with the founder **every two weeks: 6 calls** in total.
2. Chat with the founder between calls (answered within 48 hours on business days).
3. The full PRNTR course, workbook and slides.
4. All PRNTR Signals for the 90 days, in the private PRNTR Discord.
5. The PRNTR member dashboard (your trades and your win rate).

The 90 days follow three phases: weeks 1–4 Protect (setup, risk and sizing), weeks 5–8 Build (managing trades, reviews), weeks 9–12 Independence (your own written plan).

2. Price and payment

Choose one (tick):

- ☐ **$3,000** paid in full
- ☐ **2 payments of $1,700** (today and 30 days later), total $3,400
- ☐ **3 payments of $1,200** (today, 30 and 60 days later), total $3,600

Payments are taken through Whop and appear on your statement as **WHOP*PRNTR**.

A payment plan is a commitment to the full program price. It spreads the cost; it is not a monthly subscription you can stop. If a scheduled payment fails, we will contact you, and your access pauses until it is paid. Within 30 days of your first payment you may pay off the rest at the pay-in-full price ($3,000 total).

3. No guarantee of results

This is **trading education, not financial advice.** PRNTR does not tell you what to do with your money, does not trade for you, and **does not guarantee any profit, income or result.** Trading, especially with leverage, carries a high risk of loss, and you can lose more than you deposit. Some signals lose. Past results (ours, students' or the signals') do not guarantee future results. You alone decide whether to take a trade and how much to risk, and you are responsible for your own trades and losses.

Not making money is not a reason for a refund, because results are never promised.

4. Refunds

- **14-day refund:** if the mentorship is not what is described in this agreement, ask within **14 days of your first payment** and you get a full refund.
- **After 14 days:** no refunds, and any remaining plan payments stay due.
- To ask for a refund, message us (Instagram @dropshippingpharmacist, the PRNTR Discord, or Whop's Resolution Center). We answer within 48 hours.

5. Your part

- Turn up to your calls. A call missed without 24 hours' notice is not rescheduled.
- Keep your access to yourself: no sharing logins, reposting signals or copying course material. Doing so ends your access without a refund.
- Treat members and staff with respect.

6. Recording

Calls may be **recorded** so you can rewatch them and so both of us have a record of what was agreed. By signing you agree to this.

7. Disputes

If something is wrong, contact us first: we will fix it or refund you under section 4. If you open a dispute with your bank instead, you agree that we may share this agreement, the call recordings, and the record of the service delivered with your bank and with Whop.

8. The whole agreement

This agreement and the PRNTR Terms and Refund Policy (https://prntr-ai.onrender.com/terms.html) are the whole agreement. If they conflict, this agreement wins. Promises not written here are not part of it.

I have read this agreement. I understand there is no guarantee of profit, how refunds work, and that a payment plan is a commitment to the full price.
