PRNTR.AI Terms of Service and Refund Policy

Last updated 13 November 2026 · Online copy: https://prntr-ai.onrender.com/terms.html

1. What PRNTR is

PRNTR.AI ("PRNTR", "we") sells trading education: PRNTR Signals and the PRNTR 1-on-1 Mentorship. Payments are processed by Whop and appear on your statement as **WHOP*PRNTR**. By paying for either product you agree to these terms.

2. Education only, no guarantee

Everything PRNTR provides, including signals, calls, courses, charts and messages, is education. It is **not financial advice** and not a recommendation to buy or sell anything. Trading, and especially leverage trading, carries a high risk of loss; you can lose more than you deposit. Some signals lose. **We never guarantee profits or any result.** Past results, ours, students' or the signals', do not guarantee future results. You alone decide whether to take a trade, and you are responsible for your own trades, sizing and losses.

3. PRNTR Signals

- **What you get:** every Grade A signal posted in the private PRNTR Discord channels for your plan's period: the market, the direction, the entry, the stop, the target and a chart. Every signal, win or loss, is also published on the public track record.
- **Plans:** 1 day ($9.99), weekly ($35), monthly ($125), every 3 months ($300) and lifetime ($500, one payment, for the life of the PRNTR Signals service).
- **Cancelling:** cancel any time in Whop. You keep access until the end of the period you paid for and are not charged again.
- **Refunds:** because access is delivered the moment you pay, payments for periods already started are not refunded. If a technical problem on our side stops you getting access, contact us and we'll fix it or refund you.

4. PRNTR 1-on-1 Mentorship

- **What you get:** 90 days with the founder: a 1-on-1 call every two weeks (6 calls), chat between calls, the full PRNTR course, workbook and slides, all PRNTR signals for the 90 days, and the member dashboard.
- **Price:** $3,000 paid in full, or a payment plan (2 × $1,700 or 3 × $1,200). **A payment plan is a commitment to the full program price**; it is a way to spread the cost, not a monthly subscription you can stop for a refund.
- **Agreement:** mentorship students sign a short agreement before paying that repeats these terms.
- **14-day refund:** if the mentorship is not what was described to you, ask for a refund within 14 days of your first payment and you get it in full. After 14 days, payments are not refunded. Not making money from trades is not a reason for a refund, because results are never guaranteed.

- **Calls:** calls may be recorded so you can rewatch them and so we have a record of what was agreed. Missed calls without 24 hours' notice are not rescheduled.

5. Your access

Access is for you only. Sharing your login, reposting signals, or copying course material outside PRNTR ends your access without a refund. We may also remove anyone who harasses members or staff.

6. Problems and refunds: talk to us first

If something is wrong, message us on Instagram @dropshippingpharmacist or in the PRNTR Discord, or open a request in Whop's Resolution Center. We answer within 48 hours. A refund request through us is faster than a bank dispute. If you open a dispute with your bank instead, we will share the evidence of your purchase, your agreement to these terms, and the service delivered.

7. Changes

We may update these terms. The version shown when you paid applies to that purchase.
