PRNTR.AI Refund Policy

Last updated: 13 November 2026 · Full terms: https://prntr-ai.onrender.com/terms.html
Payments are processed by Whop and appear on bank statements as **WHOP*PRNTR**.

Education only, no guarantee

Everything PRNTR provides (signals, calls, courses, charts, messages) is trading education, not financial advice. Trading, especially with leverage, carries a high risk of loss. **PRNTR never guarantees profits or any result.** Losing money on trades is therefore not a reason for a refund.

PRNTR Signals (day, weekly, monthly, 3-month and lifetime plans)

- Access to the private PRNTR Discord signal channels is delivered the moment payment is made.
- **Payments for periods already started are not refunded.**
- If a technical problem on our side prevents access, contact us and we will fix it or refund the affected payment.

PRNTR 1-on-1 Mentorship (90 days)

- Students sign a written agreement before paying that repeats these terms.
- **Full refund within 14 days of the first payment** if the mentorship is not what was described.
- **After 14 days, no refunds**, and remaining payment-plan installments stay due. A payment plan (2 × $1,700 or 3 × $1,200) is a commitment to the full program price, not a cancellable subscription.

How to ask for a refund

Message us on Instagram @dropshippingpharmacist, in the PRNTR Discord, or open a request in Whop's Resolution Center. We answer within 48 hours. Please contact us before opening a dispute with your bank.
